Be GREAT.
Be a VOLUNTEER.**

OUR MISSION

In every community, there are hundreds of boys and girls who are left to find their own recreation and companionship in the streets or who, in increasing numbers, spend many hours at home with no adult care or supervision. Young people, especially those at greatest risk, need responsible adult guidance. They need to know that someone cares about them and that there are concerned and capable adults to whom they can turn.

Our mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

VOLUNTEER DRESS CODE

- 1. Attire must represent the mission of the Boys & Girls Club of Cabarrus County. Attire with any words or images that promote or condone the use of drugs, alcohol, tobacco, sexuality, or violence, are prohibited.**
- 2. Shirts covering the midriff area are required. Shirts with sleeves are recommended; however, tank tops are acceptable if they are cut close to the neck and underarms and cover most of the shoulders.**
- 3. Pants or shorts must be worn at the waist, cover underwear, and should not drag the floor.**
- 4. Hats are acceptable. Baseball-type caps must be worn either frontward or backward on the head.**
- 5. Remember, volunteers, like staff members, are role models. As a volunteer at the Club you should always present yourself in an overall positive light.**

VOLUNTEER CODE OF CONDUCT

1. **YOU ARE A ROLE MODEL.** You must interact with the children in a manner that is completely positive and upbeat. Any actions or behaviors exhibited outside the Boys and Girls Club that are detrimental to the Club's mission are prohibited.

2. You are expected to conduct yourself as a mature adult. You should never behave in ways that children are not allowed.
 - A. **NEVER PUT YOUR HANDS ON A CHILD.**
 - B. As long as staff members are present, volunteers should not enact any form of discipline on a child. If staff members are not present, the volunteer should use the mildest form of discipline that can be administered so that no one is in danger. Find a staff member quickly.
 - C. Refrain from raising your voice when reinforcing the Club's rules.
 - D. Never humiliate a child. Always make sure the child understands what rule you may be reinforcing.
 - E. Treat every child fairly.

3. Never put your own concerns or needs before those of the children. If you're playing a game with them, it's okay to be competitive, but do not try to win at all costs.

4. If you are assigned the responsibility of maintaining the Club's property or equipment, make sure the area is clean and that all equipment is put away when your are finished.

5. Always follow the activities that are planned for a specific room. Changes need to be approved by the program director.

6. Eating and/or drinking outside of the Club's snack area is not appropriate.

7. If you are scheduled for an activity, please make sure you are present and on time.

8. Sports coaches are required to follow the additional guidelines and rules of their sport as designated by the Boys & Girls Club Athletic Department.

REPORTING CHILD ABUSE AND NEGLECT

The Boys & Girls Club of Cabarrus County has adopted the following policies and procedures for Child Abuse and Neglect Prevention. The first portion of the following material includes our child protection policy with assigned responsibility and accountability. It also includes procedures for the immediate and proper handling of abuse allegations.

The remaining three sections include materials taken from "*Child Protection: A Child Abuse & Neglect Prevention Guidebook for Boys & Girls Clubs*". These sections consist of 1) Facts About Child Abuse, 2) Child Abuse Prevention Strategies, and 3) Safety Information for children and parents.

Each employee of the Boys & Girls Club is required to review this information. Staff development meetings will refer to this material on an ongoing basis. Volunteers will receive information appropriate to their volunteer involvement.

Finally, all employees and volunteers are asked on their applications to list any criminal convictions or any prior sexual allegations or incidents. Background checks are carried out to confirm application information. Failure to include information on an application may prohibit participation as a volunteer.

POLICY OF THE BOYS & GIRLS CLUB OF CABARRUS COUNTY

The Boys & Girls Club of Cabarrus County strongly advocates the prevention of child abuse and neglect and ensures a safe Club environment and child safety program.

North Carolina General Statute 7A-543, Mandatory Reporting Law, states that any person or institution who has cause to suspect that any juvenile is abused or neglected, or a child has died as a result of child abuse or neglect, shall report the case of the juvenile to the director of Department of Social Services in the county where the juvenile resides or is found. The report may be made orally, by telephone, or in writing. The report shall include information as is known to the person making it, including the name and address of the juvenile; the name and address of the juvenile's parent, guardian or caretaker; the age of the juvenile, the present whereabouts of the juvenile if not at the home address; the nature and extent of any injury or condition resulting from the abuse or neglect and any other information which the person making the report believes might be helpful in establishing the need for protective services or court intervention. If the report is made orally or by telephone, the person making the report shall give his name, address and telephone number. Refusal of the person making the report to give his name shall not preclude the department's investigation of the alleged abuse or neglect.

DEFINITION OF ABUSE AND NEGLECT

According to North Carolina law, an abused child is any child less than 18 years of age whose parent, guardian, custodian or caretaker:

- Inflicts or allows to be inflicted upon the juvenile a physical injury other than by accidental means, or
- Creates or allows to be created a substantial risk of physical injury to the juvenile by other than accidental means, or
- Uses or allows to be used upon the juvenile cruel or grossly inappropriate procedures or cruel or grossly inappropriate devices to modify behavior, or
- Commits or allows the commission of any sexual act upon a juvenile in violation of law, or
- Creates or allows to be created serious emotional damage to the juvenile. Severe emotional damage is evidenced by a juvenile's severe anxiety, depression, withdrawal or aggressive behavior toward himself or others, or
- Encourages, directs or approves of delinquent acts involving moral turpitude committed by the juvenile.

According to North Carolina law, a neglected child is any child less than 18 years of age who:

- Does not receive proper care of supervision or discipline from his parent or other caretaker, or
- Who has been abandoned, or
- Who is not provided necessary medical care or remedial care recognized under state law, or
- Who lives in an environment injurious to his welfare, or
- Who is placed for care or adoption in violation of the law.

This information was taken from Child Abuse Laws overview of the CAP Center of Wake County.

BOYS & GIRLS CLUB OF CABARRUS COUNTY CLUB REPORTING PROCECURES

All situations in which abuse is suspected will be referred to the designated person serving as the primary child abuse coordinator in the Club (Director of Operations). A secondary child abuse coordinator must also be identified in the Club (Program Director). The selected staff will coordinate all activity relating to the abuse and maintain documentation regarding the incident and follow-up action.

All program staff should assume responsibility for identifying maltreatment of children. Staff or volunteers who note possible maltreatment are instructed to advise the Club's child abuse coordinator. The staff that acts as coordinator has ultimate responsibility for taking appropriate action.

BOYS & GIRLS CLUB OF CABARRUS COUNTY DISCIPLINE AND RULES

CHILD ABUSE

By definition, child abuse is an injury or pattern of injuries to a child that is not accidental. Child abuse includes non-accidental physical injury, physical neglect, sexual abuse and emotional abuse. Sexual abuse, a form of child abuse, is the exploitation of a child for the sexual gratification of an adult or older youth.

As an organization entrusted with the care and well-being of youth, the Boys & Girls Club of Cabarrus County condemns child abuse/sexual abuse. The Boys & Girls Club of Cabarrus County will report all allegations of child abuse to the appropriate authorities and will cooperate fully in prosecution of any staff or volunteer abusing children. All employees are required by law to report all cases of abuse and neglect.

Taking a child out of a Boys & Girls Club facility except in connection with an official function or program is prohibited and a serious violation of Boys & Girls Club policy. Any staff person taking a child out of a Boys & Girls Club facility without authorization and/or without consent of parent or guardian will be immediately terminated.

Because of the serious nature and implications, all allegations of child abuse against Boys & Girls Club staff or volunteers are to be dealt with immediately in the following manner:

1. All allegations, no matter how trivial they may seem, are to be viewed as real incidents and immediately reported to the Director of Operations (or Program Director). Once reported, the incident must be documented immediately in writing. It is the responsibility of the Director of Operations (or Program Director) to compile a report with written statements from the child (ren)/adult(s) making the allegation and/or a statement from the youth affected as well as the alleged perpetrator. Every precaution must be taken not to further traumatize the youth affected. Written statements outlining the allegation(s) must be forwarded to the Executive Director within 24 hours, or as soon as possible after the incident.
2. Once the allegation is made against a staff member or volunteer, that person is to be immediately suspended from all duties, asked to prepare a written statement regarding the incident, placed on suspension with pay pending an investigation. For the person's own protection, as well as of those affected, the individual is to be denied any contact whatsoever with the youth affected or any other youth in our care. They should also be cautioned not to return to the facility until they are contacted by their immediate supervisor. Once this step is taken, the Executive Director is to be contacted immediately and briefed on the incident. In keeping with the law, we are obligated to report all allegations of abuse to the appropriate authorities and to the parent(s)/guardian(s).
