With caring mentors and enriching programs, we help kids explore interests, develop confidence, and build the life skills that lead to brighter futures. When young people are empowered to thrive, the impact ripples through families, schools, and our entire community.

Sometimes

we hear people ask, “How much difference can one person really make?” At the Boys & Girls Club of Cabarrus County, we see the answer every day. All it takes is one caring adult to show up. One warm meal after a long day. One safe space where a child feels seen. One mentor to say, “You’ve got this.”

This year, our Club has continued to evolve and respond to the needs of our youth. Kids today face real challenges—academic pressures, emotional stress, and limited access to basic supports. And yet, when they walk through our doors, they find stability, encouragement, and opportunity.

We’ve prioritized academic growth through homework help and sessions with certified tutors. We’ve made sure no child leaves hungry, offering hot meals every day and take-home meal boxes for weekends. We’ve expanded access to counselors who guide youth through social and emotional learning. And we’ve opened new doors through STEM learning, workforce readiness, and creative expression.

None of this happens without people like you.

Your generosity fuels every breakthrough. Your belief in our mission builds brighter futures. On behalf of our staff, our Board, and—most importantly—our kids: thank you for being the one who shows up.
