Frequently Asked Questions

Q. As a sponsor, am I responsible for decorating my tree?

A. There are several options for decorating your tree:

1. You may decorate your tree with items you purchase to represent your business or any theme you choose.
2. You may hire someone to decorate your tree to your theme or liking. Your decorator is responsible for providing all ornaments and decorations.
3. You may select one of the volunteer decorated trees during the VIP.

Q. If I don't decorate my own tree, how do I know which one is mine?

A. If you choose to select a tree, a tag highlighting the sponsor's name and the decorator's name, will be placed on the tree.

Q. What happens to my tree after the event?

A. There are two options:

1. You may donate the tree to the Boys & Girls Club. The Club displays the trees throughout the building, or may donate trees to families we serve.
2. You may have the tree delivered to the location of your choice (local addresses only). Deliveries will be scheduled for the second week of December.

Q. What happens to my tree after the holidays?

A. There are two options:

1. You may keep your tree.
2. You may donate your tree back to the Club. Pick-ups will be scheduled for the first week of January. Decorations belong to the sponsor; therefore, trees must be undecorated prior to tree pick-up. Only undecorated trees will be picked up.

BOYS & GIRLS CLUB OF CABARRUS COUNTY

The Boys & Girls Club of Cabarrus County has been serving the youth in our community for over 75 years. Providing Afterschool, Summer and Athletic programs, we fill an urgent need in Cabarrus County. Our mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, and responsible citizens. Our Club is committed to impacting the local community by empowering the children who need us most.

Whatever It Takes is our mantra, our promise, as we help kids become their best selves. Focusing on 6 key areas - education, the arts, sports and recreation, character and leadership, workforce readiness, and health and wellness - we end the cycles of inequity; neutralize safety threats; fill the mentorship void and listen and amplify marginalized voices. We believe that when our kids thrive, so too does our community - there is no better investment than in that of our young people.
