Activity: Laundry Basket Golf

Supplies provided in this packet: N/A

Things needed at home: 1 sock ball (or beanbag) per player, 1 laundry basket or medium size box, a scoresheet (piece of paper), and a pencil

Directions: This is a 9 hole game... The object is to toss the sock ball/bean bag into the laundry basket/box in as few tosses as possible.

Move the laundry basket far enough away from where you'll start tossing the sock ball so that it's a challenge for those who are playing to make it in 1 toss. Take turns tossing your ball until you get it in the basket. (It's ok to use obstacles in the yard... tree, swing ect.in order to make it more difficult).

As always, the youngest player goes first followed by the next oldest and etc. After the first toss, the player furthest away will toss second and will do so until all players have tossed their ball into the laundry basket.

After all players have made their tosses, the basket may be relocated or the starting point may be changed. The player who got their ball in the basket first will start the second hole. At the end of the 9th hole, add up the score and the player with the lowest total tosses is the winner.

*Take a photo of yourself playing Laundry Basket Golf and email it to Coach Davis at the address above for a chance to win a mini dodgeball!

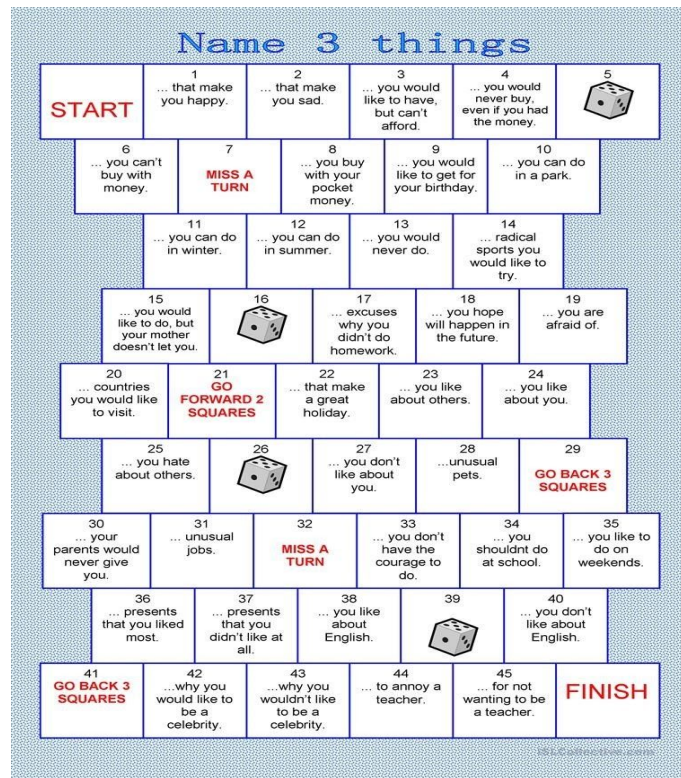

Activity: Name 3 things board game

Supplies provided: Game board

Supplies needed at home: Homemade dice

Directions: Go to the youtube channel to subscribe. Then watch the instructional video on how to make dice. You will only need one for this game. After your die has been made, play a quick game of rock, paper, scissor to see who goes 1st and begin. The object is to roll the die and move that many spaces. Then you say 3 things about the comment in the box you landed on. If you land on a box with a five in it, you must roll a 5 when it's your turn to leave that space.
