21st CCLC DIY DUCT TAPE FLOWER

Mr. Alec

aforney@bgclubcab.org

Supplies provided in this packet:

- Duct Tape

Things needed at home:

- Pen
- Scissors
- Patience

Directions:

- Use this link for Help (<https://www.duckbrand.com/craft-decor/rose-pens>) or our Youtube channel (<https://www.youtube.com/user/BGCofCabarrusCounty>) and make sure to send Mr. Alec your work!
- Step 1 - Wrap the length of your pen in duct tape by using three smaller pieces of tape. Using one piece of duct tape about two inches long, wrap the top two inches of your pen. Use two more pieces, one-inch long to cover the bottom portion by overlapping the pieces.
- Steps 2-6 - First, place the 1" wide pieces at each end. Then, take the bigger piece and wrap it around the pen. Now it's time to make the petals! Petals are just 2" pieces of duct tape, folded: Fold the right corner up towards the top of the piece, leaving a little bit of the sticky side exposed. Then take the corner you made and fold it down to form almost a pyramid shape.

Note: For a small rose, you will have about 25 petals. Sometimes I use about 50 and make a bigger one.

Keep the petals even. If you raise the petals up each time you go around, the rose is going to look like a tunnel. You can make the rose as big as you want, just make sure you stick the tape down firmly each time or it will fall apart.

21st CCLC Book Reading

Mr. Alec

aforney@bgclubcab.org

Supplies Provided:

"Let IT Shine" Book (Received Weeks Ago)

Things Needed at Home:

Directions:

This week we are going to learn about Mrs. Fannie Lou Hamer. You will begin reading on Page 83 in our "Let IT Shine" book. She accomplished many great things in her life. One of the things that we are going to challenge you to do as she did is to create a flyer to encourage more people to get out and register to vote. Many Americans are still not registered or have not re-registered after changing residences. Your flyer may be the one spark they need to get out and complete this very important task.

How do I register (or pre-register) to vote?

To vote in North Carolina, you must be registered (on the voter roll) in your county. To register, you must be:

- A U.S. citizen;
- At least 18 years old by the day of the General Election;
- A resident of the county for at least 30 days before the election in which you want to vote;
- A person who is not serving a felony sentence, including probation or parole.
- A 17 year old may register and vote in a Primary if they will be 18 on the day of the General Election; in the Primary, they may only vote on contests that will appear on the General Election ballot.

“Homemade Lava Lamp”

Mr. Alec

aforney@bgclubcab.org

Supplies Provided:

- Water
- Oil (we used baby oil and vegetable oil)
- Food coloring

Things Needed at Home:

- Alka-Seltzer

Directions:

- Fill the glass with 1 to 2 inches of water.
- Add your favorite food coloring.
- Fill the rest of the glass with oil but stop at about 1 inch from the top so that it won't bubble over.
- Drop an antacid tablet into the mixture and watch.
- Notes
- Try using different sizes of alka-seltzer tablet.
- Try using different types of oil.
- Try mixing the different types of oil to get your favorite "lava" flow.
