# OUR Mission

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

# Who WE ARE

The Boys & Girls Club of Cabarrus County fills the gap between school and home. Our goals are for all youth to avoid at-risk behavior, experience success in school, be physically active, develop healthy life skills and demonstrate a strong commitment to the Club and the community. As we provide youth with the positive alternatives they need, Cabarrus County as a whole benefits.

# What WE DO

Safer  
Childhoods

Our **77,000 square foot Clubhouse** - the largest single unit Club in the Southeast - provides a safe and fun place for kids to grow and thrive.

Life-Enhancing  
Programs

We offer engaging **after school, summer** and **athletic programs** focused on academics, health, and leadership.

Caring  
Mentors

Our staff consists of **122** full-time, part-time and seasonal employees who are trained to guide, coach, and motivate kids to be successful.

The Club being open during the Pandemic "meant everything. With the cost of childcare being so high the Boys & Girls Club was a blessing. I'm forever thankful. The Club assured safety and took the proper measurements to continue to do so."

## 2021

was another challenging year for Club kids and families. As the Pandemic raged on, the Club continued serving members via our full day program. Thankfully, we were able to offer our Summer program to a limited number of children. As students returned to in-person learning, the Club resumed regular Afterschool programming with a focus on addressing learning loss. We continue to offer extended learning opportunities and educational enrichment during the critical after school hours to improve young people's academic performance.

Thanks to the support of donors like you, the Club is well-equipped to meet the needs of our current and future members and their families. Thank you for ensuring our kids the opportunity to learn, grow and succeed and for your commitment to the Boys & Girls Club of Cabarrus County.
