## **COVID-19 SPECIFIC INFORMATION**

---

It is important to understand that these continue to be uncharted times as we operate during the COVID-19 pandemic. It is possible that based on circumstances and recommendations from the CDC that our facility could be closed at any time for multiple days or indefinitely. Parents should expect for there to be times in which groups may be quarantined from the BGC due to members testing positive. Because of this uncertainty, we will not be charging any fees for our program.

The following procedures will be implemented for the program. More detailed information and procedures will be distributed, if necessary, on the first day of the program.

### **LIMITED ENROLLMENT**

Enrollment will be limited in order to maintain social distancing measures. Attendance requirements will be established.

### **DROP-OFF + PICK-UP**

Drop-off and pick-up details can be found on pages 9 and 10. Parents will not be allowed to enter the building. All children must be picked up by 6:00pm.

### **GROUPING**

Children will be divided into groups and will remain in these groups throughout the day and the program overall. It is our intent for groups to avoid contact with other groups. Groups will be no larger than 25.

### **SOCIAL DISTANCING**

Every attempt will be made to social distance youth throughout the day. Hand sanitizing stations will be set up throughout the facility. Expanded cleaning and sanitizing measures will be carried out throughout the day and between daily sessions.

### **TEMPERATURE CHECK + MASKS**

At this time we will not be taking temperatures on a daily basis unless a child is not feeling well or is showing Covid-type symptoms. Children with temperatures 100.4 degrees or higher will not be allowed to attend that day. If symptoms or fever occur during the day, the child will be isolated in a sick room and parents will be required to pick them up immediately. Children are required to bring their own masks and wear them at all times while indoors. Masks will be provided by the Club, if needed.

### **MEALS**

Children will be served breakfast, lunch, an afternoon snack and will have the option of a take-home dinner. Meals will be served in designated areas and children will remain in their assigned groups, socially distanced, and separated from other groups.

## **ASSUMPTION OF THE RISK AND WAIVER OF LIABILITY RELATING TO CORONAVIRUS / COVID-19**

---

Below is a summary of the Waiver you signed at registration. Please keep for your records.

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and has significant person-to-person spread. As a result, federal, state, and local governments and federal and state health agencies have recommended social distancing measures and have, in many locations, required ongoing prohibitions on the congregation of groups of people of various sizes.

Boys & Girls Clubs of Cabarrus County ("Club") has put in place preventative measures to reduce the spread of COVID-19. These include, but are not limited to, social distancing, wellness monitoring, increased sterilization and required hand-washing. However, the Club cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending the Club could increase your risk and your child(ren)'s risk of contracting COVID-19.

---

I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending the Club and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the Club may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Club employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at the Club or participation in Club programming ("Claims"). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless the Club, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the Club, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Club program.

## **GENERAL POLICIES**

---

### **GROUP ASSIGNMENTS**

Children are divided into groups based on grade and most recent school they attended. They rotate around the facility with their group throughout the day. Groups may be assigned a week prior to the start of the program. Please call the Club for your child's assigned group. We must keep groups even in the number of children assigned. Therefore, if there is a disproportionate number of middle schoolers, children will be selected for the middle school group based on grade and familiarity with the program. Children in a specific grade are not assigned to their own exclusive group. It is possible for children in the same grade to be assigned to different groups. Children are not automatically placed in a higher age group from one year to the next.

### **MEALS**

The Club provides a morning snack and lunch, free of charge, through the USDA Summer Food Service Program. An afternoon snack is also provided through the Second Harvest Food Bank. Children are permitted to bring lunch or snacks from home if they prefer. Weekly menus will be available and posted on the Club website. Deadline to be included in the lunch count is 9:00am. A child must be present to be counted for lunch. Phone-in requests will not be accepted. If the child is not present to be counted for lunch, he/she must bring lunch from home. Club does not provide substitute foods to offset allergies. If your child has food allergies or if you have a concern about certain food ingredients, please have child bring lunch from home.

### **MEDICATION**

The Club does not have medical personnel on staff. Club staff will dispense medication (at lunch time only) to a child only with the written consent of the parent, which is part of the registration form. It is the child's responsibility to remember when he/she is to take the medication. The Club's staff will do its best to notify the children of the time for their medication, but will not take responsibility if it is not dispensed in the manner in which it is prescribed.

### **PERSONAL BELONGINGS**

Children are strongly discouraged from bringing any personal belongings beyond what is needed for a day. Valuables such as cell phones, audio devices, trading cards, handheld games, etc. are prohibited. Cubbies are assigned to each child. Although we would like for the children to feel safe in putting their belongings in the cubbies, they are not closely guarded at all times. Children are encouraged to mark all belongings with their name. The Club will not take responsibility for lost or stolen items, nor is it bound to conduct inquiries in order to retrieve such items; however, the Club does reserve the right to search members' belongings when there is reasonable suspicion that he/she possesses something illegally.

### **SUNSCREEN**

Parents should apply sun screen to their children on days they go to Camp and on outdoor field trips. While staff can provide guidance to kids for applying sunscreen themselves, they are prohibited from applying sun screen to children.
