OUR Mission

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

Thank you for doing
Whatever it Takes.

Who WE ARE

The Boys & Girls Club of Cabarrus County fills the gap between school and home. Our goals are for all youth to avoid at-risk behavior, experience success in school, be physically active, develop healthy life skills and demonstrate a strong commitment to the Club and the community. As we provide youth with the positive alternatives they need, Cabarrus County as a whole benefits.

"The BGC has been a blessing. As an essential worker for Atrium health, I was not able to stop working. I could not afford to stay at home with my children during virtual learning either. Thankfully the club was able to accept my two children. THANK YOU!"

Ms. Ruiz, Club Parent

2020

was a challenging year for the Boys & Girls Club, but nothing compared to the challenges of the children and families we serve.

Throughout the year, we provided virtual programming and meals during the school shut-down, expanded to a full-day virtual learning site when schools opened virtually, and added transportation to the Club after school for children when school re-opened with face-to-face learning. Our numbers were reduced and our programming looked different, but we are proud of our impact.

We still have a huge job ahead of us – to get kids back on track to their Great Futures by providing a positive and inclusive environment where they can reach their full potential. Thank you doing Whatever it Takes for the kids of Cabarrus County.
