## ITEMS NEEDED FOR FIELD TRIPS:

### CAMP SPENCER

The Park is open to the public during the operating hours of the Club's program. However, with the exception of the swimming pool, areas of the park that are being used by the Club's program are off limits to the public during operating hours. **Campers should bring a bathing suit, towel, sunscreen, and clothes that a little dirt won't hurt.**

Parents should apply sun screen to their children on days they go to Camp and on outdoor field trips. While staff can provide guidance to kids for applying sunscreen themselves, they are prohibited from applying sun screen to children. Kids should wear swimsuits to camp and must have dry clothes to wear for the bus ride back to the Club.
